

The vineyard of Château Domeyne is located on a beautiful hill of big gravels and it surrounds the vineyard of Château Calon-Segur. The property confirmed in 2003 its ranking of the 1932 Cru Bourgeois and collects good scores every year. Excellent facilities allow the winemaking of a wine full of nuances and personality.

In 2006, Château Domeyne was bought by Claire Villars Lurton, owner of Château Haut-Bages Liberal and Château Ferrière, 5th Classified Growth of Pauillac and 3rd Classified Growth of Margaux, and her husband Gonzague Lurton, owner of Château Durfort Vivens, 2nd Classified Growth of Margaux. They put all their know-how to lift this wine among the best in the classification of Saint Estèphe. In this new goal of quality, Claire and Gonzague LURTON carry on the challenge to bring to light Château Domeyne.

CHARACTERISTICS OF THE VINTAGE

The Winter was mild and dry. April was particularly hot, with high temperatures and unmatched for 60 years, thus forecasting 2007 as an early vintage with a great potential. But the rains in late May disrupted the flowering of the merlot. The Summer had little sunshine. Fortunately, September and October were exceptionally hot and dry. The health status of the harvest was excellent. The merlot reached a perfect ripeness. As for the cabernet sauvignon, they took full advantage of this beautiful Indian summer.

COMMENTS

Open nose with hints of mocha and roasted notes. On the palate, the wine is balanced and clear. The tannins are ripe and silky.
